## **PARENTS ACCESS AND PARKING**

### **Parent Tag**

Parents are reminded to wear their parent tag when they come to meet any staff in school. Meetings with members of staff must be prearranged. Parents should also report to the main office in the first instance to sign in.

For parents who have yet to collect their parent tags or those who wish to submit photos for the tags, kindly refer to the school office during office hours.

### **Parent Parking**

Parents are reminded not to double park at the parking space near the main foyer when entering school grounds.

Parking near the TNB power-house and also double parking at the space in front of Crescendo College is strictly prohibited. We have occasions where parents attempt to cut queues for pick-up which is very unfair to parents who were patiently and respectfully in the line waiting. This is also a safety issue for children and parents as it hinders the traffic flow during dismissal hours.

For the secondary pick up and drop off, parents are asked to make 2 rows for pick up and drop off to enable more cars to come in and make traffic smoother and faster. The Security staff will assist you with this and please be careful when students are crossing.
