**VIRTUAL
LEARNING –
PRIMARY STEAM
PROJECT**

STEAM Projects are designed to develop students' creativity, problem solving and critical thinking skills whilst having fun!

As part of our Choice Board activities, students made a DIY xylophone with water and food colouring to explore how the volume of water can create different sounds.

Students were challenged to try and play a song on their DIY xylophone.

**YEAR 6 IPC
ENTRY POINT**

Year 6 students enjoyed their Entry Point to their new IPC Unit- The Great, The Bold and The Brave!

As an introduction to the history of Ancient Greece and Ancient Rome, our students looked at a range of different historic buildings. The students were tasked to become architects and had to create a 3D replica of one of the Ancient buildings.

The students were creative in their designs and models!
Remember Rome wasn't built in a day! Great job Year 6!

**Special Bursary
For Existing
CHIS Students'
Siblings enrolling
in September
2020/2021
Intake**

In the last few weeks, some of you have enquired about the enrolment of your second, third or fourth child into CHIS' September 2020 academic year. We have informed you that any new student joining the School in the new academic year, will enjoy a bursary of 5% off the published rate until he / she completes his / her studies at CHIS.

However, for existing families in CHIS, to show our appreciation for your support to the School, the Board has recently agreed to provide a special bursary of 10% (instead of 5%) should you wish to enrol your other child(ren) who are currently not in CHIS into the School's September 2020 intake as new student(s) of CHIS. This bursary will be a great saving for families as the bursary will remain with your child until his/her completion of studies at CHIS.

As places are limited for such bursary, if you are interested to know more, please contact-

Ms.Bhanu (bhanumathi@chis.edu.my)

Ms Joey (at j.hwang@chis.edu.my).

Once again, we thank you sincerely for your continuous support. We hope to hear from you soon.
