# SIXTH FORM (GCE A-LEVEL) AT CHIS

The CHIS Sixth Form Programme seeks to develop an all-round leader in our senior students.

The Programme is carefully designed to prepare students to successfully apply and transition into the top universities around the world and to empower them to be exceptional leaders in their professions and communities

Your child will be well guided to transition into life beyond school. He/she will have the opportunities to initiate and commit to a social enterprise that impact the communities, be engage in industrial exposure or internship experience and take part in science research and publications.

We are proud to see our students securing offers and scholarship from prestigious universities like the University of Newcastle, University of New South Wales, Seoul National University and many more
